

Let's join a neighborhood association!

About "neighborhood association"

A neighborhood association cooperates with inhabitants and solves our community problems to make the community livable.

Annual Activities

Self-disaster prevention & mutual aid activities

- Conduct disaster-preparedness drills
- Help each other at the time of disaster or emergency

Cooperation with the local government

- Exchange of opinions about the community problems
- Send in a petition to better our living environment

Fellowship & exchange activities

- Hold cultural events such as recreation, sports event, summer festival, cultural festival, and so on aimed at communicating among inhabitants

Crime prevention & traffic safety activities

- Maintain street security lights
- Patrol the area and give traffic safety guidance

Provision of information on the area indispensable to everyday life

- Provide information by *Kairanban** and distribute city newsletter

* *Kairanban* is a way of communication by passing a file containing notice to neighbor

Environmental beautification activities

- Maintain garbage stations
- Integrate cleaning of managed areas
- Patrol the area to prevent illegally dumping
